Tips for Hosting Live and Interactive Sessions ([Meeting Recording](#))
Presented by: Lisa Dyrda
Tuesday, June 23rd at 10:00 am

This session will share techniques for hosting a live meeting with your students. It will highlight strategies for the best setup, suggestions when sharing the screen and other resources, and ways to manage interactions.

Quick Tips for Creating Accessible Content ([Meeting Recording](#))
Presented by: Anthony Marcasciano
Tuesday, June 23rd at 11:00 am

Accessible content helps every student succeed and is an important aspect of online courses. We will discuss a few quick tips for keeping content accessible so that every student has equal footing to succeed.

Bring the library into your online classroom ([Meeting Recording](#))
Presented by: Dan Matthews and Tish Hayes
Tuesday, June 23rd at 2:00 pm

Although the physical library is closed, our resources and services are still available online. In this session, librarians Dan and Tish will demonstrate how you can embed library resources into your Canvas course, share library instructional guides, and invite a librarian to work with your students on research skills like searching databases and evaluating information.

Avoiding "Blurred Boundaries" When Teaching Online ([Meeting Recording](#))
Presented by: Teresa Hannon
Tuesday, June 23rd at 3:30 pm

Teaching online definitely has its perks but there are certainly some pitfalls as well. This webinar will review key pointers on how to maintain the balance between taking care of your own self-care while attending to the needs of your students.

Teaching Online with Panopto Video ([Meeting Recording](#))
Presented by: Amanda Sidorowicz
Tuesday, June 23rd at 5:00 pm

This session will provide an overview of creating videos with Panopto and how it integrates with Canvas. It will also cover some more advanced features like creating live class sessions (webcasts), recording conferences, and editing video.

Wednesday, June 24

Tips Tricks and Technology To Help You Avoid Burnout (recording not available)
Presented by: SMHEC
Wednesday, June 24th at 9:00 am or 3:00 pm

This session will provide a forum to share reasons for and ways to overcome burnout in this virtual environment.

Creating Online Assignments in Canvas ([Meeting Recording](#) - captioning in progress)
Presented by: Anthony Marcasciano
Wednesday, June 24th at 11:00 am

In this session we will review how to create online assignments and, in some instances, how to enable plagiarism checking.

Using Cisco Webex in Canvas ([Meeting Recording](#) - captioning in progress)
Presented by: Scott Leturno & Anthony Marcasciano
Wednesday, June 24th at 2:00pm

Cisco Webex will be integrated into Canvas for the fall 2020 semester. This session will review how it can be set up in a course and some of the ways it can be used.

Tips Tricks and Technology To Help You Avoid Burnout (recording not available)
Presented by: SMHEC
Wednesday, June 24th at 9:00 am or 3:00 pm

This session will provide a forum to share reasons for and ways to overcome burnout in this virtual environment.

Retention Strategies for Online Learning ([Meeting Recording](#) - captioning in progress)
Presented by: LaWanda Thomas
Wednesday, June 24th at 4:00 pm

Now that you are teaching online, it's time to brush up on some strategies to keep students interested and engaged in their courses. These strategies can be used in a hybrid or fully online environment. Be prepared watch demonstrations and practice interactive strategies that you can use to support your students in this type of learning environment.

Canvas Grading Tips and SpeedGrader ([Meeting Recording](#) **-** captioning in progress)
Presented by: Lisa Dyrda
Thursday, June 25th at 10:00 am

This session will share tips and shortcuts for using the grade book and SpeedGrader functions in Canvas.

Creating Online Quizzes in Canvas ([Meeting Recording](#) - captioning in progress)
Presented by: Scott Leturno
Thursday, June 25th at 11:00 am

This session will provide an introduction to creating quizzes in Canvas.

Creating a Course Module in Canvas ([Meeting Recording](#) - captioning in progress)
Presented by: Kelli Nickols
Thursday, June 25th at 5:00 pm

In this session, I will show you how to create a course page and how to turn it into a course module for students to use during a class session.
