

Suggested Mentoring Activities

To help provide a support network for a new faculty member, a few suggested activities that the mentor can consider are listed below.

- Introduction to other faculty and other programs (HFC, testing center, info sys, etc...)
- Chat about the contract, retirement, and food
- Classroom observations
- Fall Fest
- Social events outside of work
- Informal conversations
- Meet in the library in the cafe section or a neutral place
- Lunch meetings
- Phone conversation
- Sit together at monthly FA meetings, working together in Staff Development Day sessions, and connecting at other college events.
- Meet on campus and talk
- Get together for lunch
- Walk around Moraine and sit outside
- Watch the beginning part of an informative documentary
- Tours of a specific building
