

Accessing Master Course Outlines in CurricUNET

1. Go to the following link: <http://www.curricunet.com/moraine/index.cfm>
2. No login is required to get master course outline files.
3. Click on "Course"

4. Select the course **prefix** you need from the drop down menu
5. Type the **course number** in and click **OK**.

6. Make sure to use the course listed as *****Active***** since there are probably multiple files.

7. In the course results list, click on CO (course outline) and the PDF will open in a new window.
8. Once the file opens, save the file to your computer.
